Buyer agrees to not use our Products to do or facilitate anything unlawful, misleading, malicious, or discriminatory, or could give rise to any civil or criminal liability under applicable law or regulations or that otherwise may be in conflict with these TCoS or in violation of local, state, national, or international laws, including but not limited to applicable composting or export and re-export control laws and regulations, including but not limited to unlawful multi-level marketing pyramid schemes.

Governing Law and Jurisdiction

The following provision is not applicable to residents of Quebec to whom the Quebec Consumer Protection Act applies.

All matters arising out of or relating to these TCoS are governed by and construed in accordance with the internal laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of New York.

Arbitration Agreement and Waiver of Certain Rights

The following provision is not applicable to residents of Quebec to whom the Quebec Consumer Protection Act applies.

You and we agree that we will resolve any disputes between us through binding and final arbitration instead of through court proceedings. You and we hereby waive any right to a jury trial of any Claim. All controversies, claims, counterclaims, or other disputes arising between you and us relating to this TCoS or relating in any way to buyer's order, purchase or use of any service or any Products or other Services sold or distributed by Envirocycle through any of our Services (each a "Claim") shall be submitted for binding arbitration in accordance with the Rules of the American Arbitration Association ("AAA Rules").

The arbitration will be heard and determined by a single arbitrator. The arbitrator's decision in any such arbitration will be final and binding upon the parties and may be enforced in any court of competent jurisdiction. The parties agree that the arbitration will be kept confidential and that

the existence of the proceeding and any element of it (including, without limitation, any pleadings, briefs or other documents submitted or exchanged and any testimony or other oral submissions and awards) will not be disclosed beyond the arbitration proceedings, except as may lawfully be required in judicial proceedings relating to the arbitration or by applicable disclosure rules and regulations of securities regulatory authorities or other governmental agencies.

To begin an arbitration proceeding, Buyer must send a letter requesting arbitration and describing Buyer's claim to **Envirocycle directly**. The arbitration will be conducted by the American Arbitration Association (AAA) under its rules, including the AAA's Supplementary Procedures for Consumer-Related Disputes. The AAA's rules are available at www.adr.org or by calling 1-800-778-7879. Payment of all filing, administration and arbitrator fees will be governed by the AAA's rules. We will reimburse those fees for claims totaling less than \$10,000 unless the arbitrator determines the claims are frivolous. Likewise, Envirocycle will not seek attorneys' fees and costs in arbitration unless the arbitrator determines the claims are frivolous. You may choose to have the arbitration conducted by telephone, based on written submissions, or in person in the county where you live or at another mutually agreed location.

This arbitration agreement does not preclude you or us from seeking action by federal, state, or local government agencies. You and we also have the right to bring qualifying claims in small claims court. In addition, you and we retain the right to apply to any court of competent jurisdiction for provisional relief, including pre-arbitral attachments or preliminary injunctions, and any such request shall not be deemed incompatible with this TCoS, nor a waiver of the right to have disputes submitted to arbitration as provided in this TCoS.

Neither you nor we may act as a class representative or private attorney general, nor participate as a member of a class of claimants, with respect to any Claim. Claims may not be arbitrated on a class or representative basis. The arbitrator can decide only your and/or our individual Claims. The arbitrator may not consolidate or join the claims of other persons or parties who may be similarly situated.

If any provision of this Section is found to be invalid or unenforceable, then that specific provision shall be of no force and effect and shall be severed, but the remainder of this Section shall continue in full force and effect. No waiver of any provision of this Section of the TCoS will be effective or enforceable unless recorded in a writing signed by the party waiving such a right or requirement. Such a waiver shall not waive or affect any other portion of this TCoS. This Section of the TCoS will survive the termination of your relationship with us.

You and we acknowledge that these TCoS, the TCoU, the Warranty, Privacy Policy, together with Envirocycle's invoice and any pricing and delivery information, and all applicable Service Terms that may be separately provided to Buyer (which are hereby incorporated by reference herein), constitute the entire agreement between the Buyer and Envirocycle with regard to the Product(s) and supersede all prior agreements or other oral or written statements of any kind made by the both parties or their representatives. These TCoS may not be amended, modified, or supplemented except by written agreement executed by the Buyer and Envirocycle.

THIS SECTION LIMITS CERTAIN RIGHTS, INCLUDING THE RIGHT TO MAINTAIN A COURT ACTION, THE RIGHT TO A JURY TRIAL, THE RIGHT TO PARTICIPATE IN ANY FORM OF CLASS OR REPRESENTATIVE CLAIM, THE RIGHT TO ENGAGE IN DISCOVERY EXCEPT AS PROVIDED IN AAA RULES, AND THE RIGHT TO CERTAIN REMEDIES AND FORMS OF RELIEF. OTHER RIGHTS THAT YOU OR WE WOULD HAVE IN COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.
